LIST OF FIGURES

Figure 1.	Phase I and II testing results and the projected horizontal distribution of prehistoric artifacts (Source: WRA 2001).
Figure 2.	Location of Phase III Stage 1 and Stage 2 excavation units (Source: WRA 2001).
Figure 3.	Phase III horizontal distribution of prehistoric artifacts within Site 7NC-E-152 (Source: WRA 2001).
Figure 4.	Cluster 1 artifact distributions by artifact type.
Figure 5.	Cluster 3 artifact distributions by artifact type.
Figure 6.	Cluster 4 artifact distributions by artifact type.
Figure 7.	Cluster 4 artifact distributions by lithic material.
Figure 8.	Cluster 5 artifact distributions by artifact type.
Figure 9.	Location of Phase I and II shovel tests with respect to the Phase III horizontal distribution of artifacts.

LIST OF PLATES

Plate 1.	Diagnostic projectile points and pottery from Cluster 1.
Plate 2.	Diagnostic projectile points from Cluster 3.
Plate 3.	Diagnostic projectile points from Cluster 4: Side and Corner-notched variants.
Plate 4.	Diagnostic projectile points from Cluster 4: Contracting stem variants.
Plate 5.	Diagnostic projectile points from Cluster 4: Triangle variants.
Plate 6.	Endscrapers from Cluster 4.
Plate 7.	Feature 3 plan view (EU 30).
Plate 8.	Projectile points from Cluster 5.
